A Kuehne+Nagel Company

Global air charter

Move your aerospace cargo with greater confidence

Complex logistics call for proven expertise. Sterling's experienced air charter team specialises in time-critical air charter solutions for AOG situations, oversized cargo, and high-value shipments worldwide. Get 24/7 on-call support with seamless, tailored transportation services that keep your business moving.

Ready for take-off

Global reach: Domestic and international charter services tailored to your requirements.

Time-critical expertise: Rapid response solutions for aircraft on ground (AOG), emergency shipments, and specialised transportation needs.

Proven experience: The Sterling team has executed over 600 charter shipments since the beginning of 2025.

Aircraft solutions of every size: From small single-engine to the world's largest cargo aircraft, we source the right one for every situation.
